

Welcome Back

Hey everybody, it's Brenda again, and I want to welcome you back.

What This Module Covers

This module is going to cover five platforms that, in my opinion, beginners tend to have success with.

So there's going to be one video per platform, for a total of five videos.

A Quick Thank You

I wanna thank you for being here.

If you've made it this far, I'm genuinely impressed because this has been a lot of information to take in, and I know that.

The Goal of This Course

I hope it's been worth it.

My goal for this course is to leave you feeling prepared and ready to go out there and start focus grouping.

What's Next

That's it for this short video.

I will see you in the next five lessons.

And again, thank you for being here.
